# Using the Facebook API
## First Step:
## Creation Act and Token

Sofia Gil-Clavel

PhD Student
Digital and Computational Demography

In order to use the Facebook API, there are some basic steps that you need to follow:

1. Create a Facebook account

2. Create an APP

3. Checking the version of the API you are using

4. Obtain your Token

5. Obtain you Creation Act

MPIDR

**1. Create a Facebook account:**

Sign Up in:

https://www.facebook.com/

# Using the Facebook API

## 2. Create an APP:

https://developers.facebook.com/

| Add a New App | → | Add your Information | → | Choose "Marketing API" |
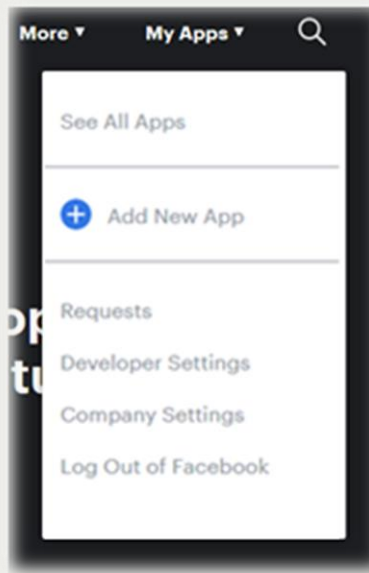

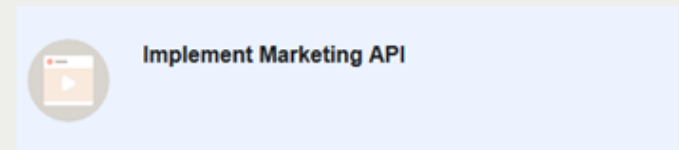

**3. Check the API's version that you are using:**

https://developers.facebook.com/apps/YourAppName

Select
**Settings/
Advanced**

Check the version you are using:
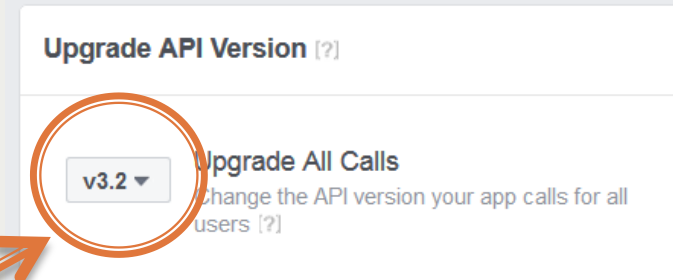

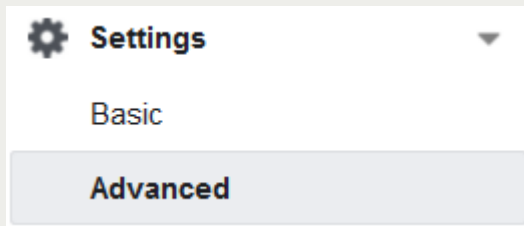

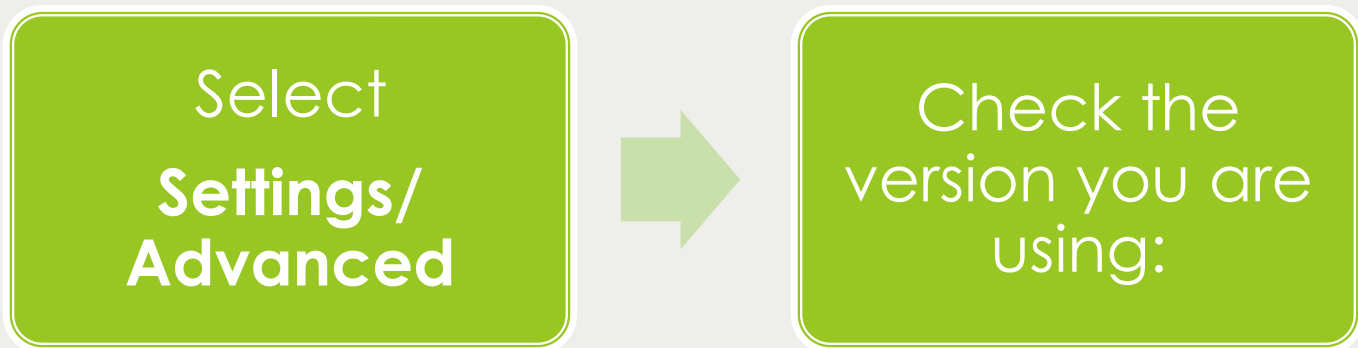

Just copy this info, don't change anything!

## 4. Obtain your Token

https://developers.facebook.com/apps/YourAppName

Select **Marketing API/Tools** → Choose: •ads_management •ads_read → **Get Token**

## 5. Obtain you Creation Act

https://www.facebook.com/adsmanager
